Aug 16th 1879

Dr Sir.

I herewith Send You a Small Sample of a peculiar formation of rock, which I found in the Mountains of Perry County Pa.

Would you be So Kind as to tell me if it contains any Mineral of Value, And to about what percentage.

By So doing You will greatly oblige,

Yours Respectfully

D. K. Reeder

August 16, 1879

Dr Sr:

I herewith send you a small sample of a peculiar formation of rock, which I found in the mountains of Perry County Pa.

Would you be so kind as to tell me if it contains any mineral of value, and to about what percentage.

By so doing you will greatly oblige.

Yours Respectfully,
D.K. Reeder
Elliottsburg
Perry County
Pa.

[Noted at bottom:]

A rich iron ore – red hematite.
